Subject: [External] Request to Withdraw a Class C Non-Emergency Certificate-Docket No. 2021-171-T

To Whom It May Concern-

On May 24, 2021, We applied for a Class C Non-Emergency Certificate for Absolute Care Solutions LLC. We were assigned Docket No. 2021-171-T. We realized this error and should have instead applied for a Class C Charter Certificate which we are submitting for consideration of the PSC this week. This email serves as our official request to withdraw the Non-Emergency application for Absolute Care Solutions LLC.

Thank you for your time and consideration.
